### Professional Experience

I am currently working as General Manager- Fire at 3600 MW Power Plant Called KMPCL, of KSK Energy Ventures Limited situated in NARIYARA District Janjgir-Champa, Chhattisgarh.

I joined the corporate world after a fulfilling stint with the **Government of India** wherein, I commenced my professional yatra with the elite and highly specialized outfit of **Ministry of Home Affairs**, the **Central Industrial Security Force (CISF)** where I served till Oct 2007. I gained valuable experience in handling challenges related to industrial and High rise building fire which includes Rescue operations too. During my leadership tenures in industrial sectors as diverse as Steel, Thermal-Power, Space, Sea Ports, Aviation, Metro rail and Oil & Gas.

Being a Qualified Fire Service trainer, I had an opportunity to do a short stint as Assistant director (Fire) Training Centre in the Firefighting Division of CISF. It was really

wonderful experience as we develop various courses related to Firefighting, Rescue, smoke management and disaster management.

Also I got a chance to work as Consultant in Consultancy Wing of CISF to help Private Sector to ensure sustainability of Business Progress and undertaken project with Reliance both ADAG and RIL, Infosys, RBI & Karnataka Assembly House (Vidhansudha Bengaluru).

I took the plunge into the Corporate world in Nov 2007 and got chance to develop a full fledged Fire Firefighting team in LANCO (India) from ground zero and we were the best in the Korba district with in a span of two years. Subsidiary known as Lanco Amarkantak Power Plant Limited, Korba Chhattisgarh.

I strongly believe in innovation and experimenting in my field of expertise to meet the rapidly changing as well as challenging industrial security scenario with limited statutory powers coupled with unlimited expectations of employers.
